- Quantitative and qualitative evidence
- Prevention
- Contribution to National Outcomes

LOIP Outcomes Profiles

Safer and Stronger Communities

Life Outcomes	Measures
People live in resilient, responsible and safe communities.	11. Rate of recorded crimes per 10,000 population
People in vulnerable circumstances are protected.	12. Total dwelling fires per 100,000 population
Community and public understand the role/place of public services.	
People feel engaged and feel they can influence their community.	
People do not feel isolated or lonely.	

The Community Empowerment (Scotland) Act 2015

Locality Plans - what's changed and what does it mean for Community Safety?

- Greater focus on 'Place'

- some are existing area plans/some new

The wider policy landscape –where community safety fits in

- Community Planning Partnerships – Boards and Management Groups

- Community Safety Partnerships/thematic forums

- Plans and strategies

The developing wider policy landscape

- Community Justice arrangements
- Fairer Scotland Duty
- Public Health Reform
- Public Governance Reform
- Planning Bill
- Child Poverty Reports
