

# ‘Making the case for community safety’

## What the Public were used to!

Engagement – Empathy – Empowerment

**Your Watch, Your Way**

## How far has Neighbourhood Watch Scotland come?

**20,600+ registered users**

**1820 registered community groups**

**250,000+ homes within the network**

**‘Getting the right information, to the  
right people, at the right time’**

## Community & Partner feedback!

“I found this information about phishing to be the most clear, informative and concise info I have read.”

“More good advice, thank you. Time for the car manufacturers to ensure that their very expensive products cannot be stolen so easily.”

“We need to know this and it was explained clearly.”

“Brilliant message, Thanks Willie, this will help inform my national message this weekend.”

“Thanks for educating me about this type of scam, I really appreciate your information and advice.  
Regards William”

“Good to be informed of crime that goes under the radar.”

“The warnings are always very useful. Thanks”

“Hi Willie, Thanks again for tonight. I'm sure the residents found it helpful and hopefully they can get something set up. I found it really beneficial and something I can use with other groups in the area. “

## Your Challenge

**If you want community participation and empowerment how are you going to ‘get the right information, to the right people, at the right time’?**
